

**Stephen Robertson**

**Sunburn**

**Sonnet**

Bend the light  
just so  
above, below,  
left and right.  
Focus in,  
each ray  
trapped on its way  
from the sun.

Bright  
spot  
turn  
white  
hot  
and burn.

**Tanka**

Bend the light just so  
above, below, left and right,  
focus in each ray.  
Trapped on its way from the sun,  
bright spot, turn white hot and burn.
