

Stephen Robertson

Wake

Fast asleep
dark night
dream deep

faint light
bird sings
growing bright

gadget pings
go away
sleep clings

break of day
brighter now
here to stay

morning glow
time to rise
feeling slow

rub eyes
yawn and stretch
blue skies

legs itch
must get on
first scratch

clothes on
spell broken
sleep gone

in motion
sun on skin
door open

breathe in.

Now begin.
